State Auditor's Report

THE COMMONWEALTH OF MASSACHUSETTS
DEPARTMENT OF CORPORATIONS AND TAXATION

Bureau of Accounts

State House, Boston 33

GUY J. RIZZOTTO, *Commissioner*

HERMAN B. DINE, *Director of Accounts*

November 1, 1961

To the Board of Selectmen

Mr. Anthony E. Allegrezza, Chairman
Milford, Massachusetts

Gentlemen:

I submit herewith my report of an audit of the books and accounts of the town of Milford for the period from April 28, 1959 to March 8, 1961, made in accordance with the provisions of Chapter 44, General Laws. This is in the form of a report made to me by Mr. William Schwartz, Assistant Director of Accounts.

Very truly yours,

HERMAN B. DINE,
Director of Accounts

hbd:rf

Mr. Herman B. Dine
Director of Accounts
Department of Corporations and Taxation
State House, Boston

Sir:

In accordance with your instructions, I have made an audit of the books and accounts of the town of Milford for the period from April 28, 1959, the date of the previous examination, to March 8, 1961, preparatory to a transfer of the cash and securities and of the books and accounts to the newly elected town treasurer, and submit the following report thereon:

The records of financial transactions of the several departments receiving or disbursing money for the town or committing bills for collection were examined and checked for the period of the audit.

The books and accounts in the office of the town accountant were examined and checked in detail. The general and appropria-

tion ledger accounts were analyzed and proved, the receipts and payments, as recorded, being checked with the town treasurer's books. The appropriations and loan authorizations were compared with the town clerk's records of town meetings, and the transfers from the reserve fund were verified with the amounts authorized by the finance committee.

A trial balance was taken off, the necessary adjustments resulting from the audit were made, and a balance sheet, which is appended to this report, was prepared showing the financial condition of the town on March 8, 1961.

The books and accounts of the town treasurer were examined and checked. The recorded receipts were analyzed and compared with the records in the several departments in which money was collected for the town, with other sources from which money was paid into the town treasury, and with the town accountant's books. The recorded payments were checked with the selectmen's warrants authorizing the disbursement of town funds and with the town accountant's records.

The cash book footings were verified, and the treasurer's cash balance on March 8, 1961 was proved by actual count of the cash in the office and by reconciliation of the bank balances with statements furnished by the banks of deposit.

The recorded payments on account of maturing debt and interest were proved with the amounts falling due and with the cancelled securities and coupons on file. The coupons outstanding on March 8, 1961 were listed and reconciled with the balances in the bond and coupon account as shown by a statement furnished by the bank of deposit.

The records of employees' payroll deductions for Federal and State taxes, for the purchase of savings bonds, for Blue Cross and Blue Shield, and for group insurance premiums, were examined and checked. The deductions were footed, the bond purchases for employees were proved, and the payments to the proper agencies, as well as the refunds to employees, were verified.

The records of tax titles held by the town were examined and checked in detail. The amounts added to the tax title account were compared with the collector's books, the redemptions were checked with the treasurer's recorded receipts, the abatements were verified, and the tax titles on hand on March 8, 1961 were listed, reconciled with the town accountant's ledger account, and checked with the records at the Registry of Deeds.

The savings bank books and securities representing the investments of the cemetery perpetual care funds and the Post-War Rehabilitation Fund in the custody of the town treasurer were exam-

ined and listed. The bequests for perpetual care of cemetery lots were compared with the records of the cemetery department, the purchases and sales of securities were verified, the income was proved, and the amounts transferred to the town were compared with the treasurer's recorded receipts.

The savings bank books and securities representing the investments of the contributory retirement system funds in the custody of the town treasurer were examined and listed. The recorded receipts and disbursements were checked with the records of the retirement board, the income was proved, and the cash balance on March 8, 1961 was verified.

The records of receipts for parking meter fees were examined, the recorded collections being added and checked with the treasurer's recorded receipts.

The books and accounts of the tax collector were examined and checked. The taxes, excise, and assessments outstanding at the time of the previous examination and all subsequent commitments were audited and proved. The cash books were footed and the recorded collections were checked with the payments to the treasurer, the abatements were compared with the assessors' records of abatements granted, the taxes transferred to the tax title account were verified, and the outstanding accounts were listed and reconciled with the respective accounts in the town accountant's ledger.

The collector's cash balance on March 8, 1961 was proved by actual count of the cash in the office and by reconciliation of the bank balance with a statement furnished by the bank of deposit.

The outstanding tax, excise, and assessment accounts were verified by mailing notices to a number of persons whose names appeared on the books as owing money to the town, and from the replies received it appears that the accounts, as listed, are correct.

The records of deferred sewer assessments were examined, the payments in advance were checked with the treasurer's recorded receipts, the amounts added to taxes were verified, and the apportionments due in future years were listed and proved with the town accountant's ledger accounts.

The financial records of the town clerk were examined and checked in detail. The collections on account of dog and sporting licenses issued, and from marriage intentions, recording fees, copies of records, and miscellaneous charges were verified and compared with the payments to the town treasurer and to the Division of Fisheries and Game. The cash book was added, and the cash balance on March 8, 1961 was verified by actual count of the cash in the office and by reconciliation of the bank balance with a statement furnished by the bank of deposit.

The surety bonds of the several officials required by law to furnish them were examined and found to be in proper form.

The records of licenses and permits issued by the board of selectmen and by the police and health departments were examined and checked. The recorded collections were compared with the payments to the treasurer as shown on the treasurer's books, the outstanding licenses and permits were listed, and the cash on hand was verified by actual count.

The financial records in the office of the medical home and infirmary were examined and checked in detail. The commitments of accounts receivable were analyzed and checked with the reported charges as recorded on the town accountant's ledger. The collections, as entered, were compared with the payments to the treasurer, and the abatements were checked with the records of abatements granted by the board of public welfare. The advance payments and the outstanding accounts were listed, while the cash on hand March 8, 1961 was verified by actual count of the cash in the office and by reconciliation of the bank balance with a statement furnished by the bank of deposit.

The records of departmental cash collections by the sealer of weights and measures, as well as by the highway, public welfare, school, and library departments, were examined and checked, the payments to the treasurer and the cash on hand being verified.

The books and accounts of the cemetery department were examined and checked. The records of receipts from sales of lots and graves, perpetual care bequests, general care, and interment fees were checked with the treasurer's recorded receipts, and the cash on hand was verified.

It was noted that the cemetery department stopped paying interment fees over to the town treasurer in September 1959 and has been using these fees to pay the costs of opening the graves.

In this connection attention is called to the provisions of Section 53, Chapter 44, General Laws, which reads in part as follows:

"All moneys received by any town officer or department, except as otherwise provided by special acts and except fees provided for by statute, shall be paid by such officer or department upon their receipt into the town treasury."

In addition to the departments mentioned, the records of all other departments collecting money for the town or sending out bills for collection were examined and checked.

There are appended to this report, in addition to the balance sheet, tables showing reconciliations of the town treasurer's, the tax collector's, and the town clerk's cash accounts, summaries of the

tax, excise, assessment, tax title, and departmental accounts, as well as schedules showing the condition and transactions of the trust, investment, and retirement funds.

While engaged in making the audit cooperation was received from all the town officials, for which, on behalf of my assistants and for myself, I wish to express appreciation.

Respectfully submitted,

WILLIAM SCHWARTZ,

Assistant Director of Accounts

ANNUAL TOWN MEETING, MARCH 15th, 1961

Commonwealth of Massachusetts

The meeting was called to order by Moderator Curran at 8 P.M. The Monitors checked the list and 180 persons were present.

The Town Clerk read the Warrant and Officers return thereon.

A vacancy in Precinct 1 was filled by the election of Frederick G. Birmingham, 18½ Mechanic Street, for one year; in Precinct 2 a vacancy was filled by the election of Frank J. M. Hynes, 9 Free Street, for one year.

Under Article 1. Reports were submitted and read.

Report of the Committee on Rules Governing the Annual Town Meetings

Mr. Moderator:

I wish to report for the committee, appointed by the Selectmen under Article 12 of the Town Meeting last March, to study and make recommendations on rules to govern this meeting.

The following were appointed to this committee: Joseph Nealon, John Usher, Francis Bodio, Ricco Ferrucci and John Glennon. This committee met for the purpose of organizing on May 24, 1960. Mr. Glennon was appointed Chairman and Mr. Nealon secretary.

This committee held several meetings during the past year and explored every existing rule and condition based on their experience at the Milford Town Meetings. Town Moderator Curran and Town Counsel Compagnone also assisted the committee as regards the issues involved.

The committee feels that several rules changes are necessary to conduct a perfect meeting in Milford; however, it would not be possible to accomplish this in one year.

The committee, in formulating the rules we will suggest be voted at this session, gave particular consideration to the necessity of expediting the Meetings and maintaining the individual members elective right to vote according to his or her own conscience.

Rules and procedures which the committee studied, but which we will not suggest be changed at this session are:

First—The Standing and Ballot method of voting.

Second—The Passover Rule.

Third—The honesty of the method of taking the ballot vote.

Fourth—The method of establishing a quorum.

Rules and procedures which the committee studied and unanimously purports should be adopted are as follows:

Recommendation No. 1—That the committee to study and prepare rules of procedure by which the Town Meeting shall be governed by extending for one year and report at the next annual Town Meeting.

Recommendation No. 2—That Section 4 be added to Article 2 Rules and shall read: Section 4: Reconsideration. Reconsideration of any motion or article or any amendment to any motion or article will be allowed if:

The first motion for reconsideration is approved by a majority vote of the members present. The second motion for reconsideration is approved by a two-thirds majority vote of the members present. The third motion for reconsideration is approved by a two-thirds majority vote of the members present and said third motion for reconsideration be allowed for vote at a time after all other articles in the Warrant have been acted upon.

Recommendation No. 3—That Section 5 be added to Article 2 Rules and shall read: Any items of equipment or fixtures, normally referred to as “capital expenditures” or equipment and fixtures whose cost is in excess of \$500.00 and whose expected life is one year or more, shall not be included in the general budget of departments.

If said items of equipment and fixtures, as described above, are included in the general budget of departments article, said items shall be considered by separate motion.

I move that this report be received as read.

For the Committee,

JOHN T. GLENNON, *Chairman*

Voted: That this report be received as read.

The vote now was taken on the Rules and it was voted:

RULE No. 1

Voted: That recommendation of No. 1 of the Rules Committee report be accepted. That the committee to study and prepare rules of procedure by which the Town Meeting shall be governed be extended for one year and report at the next annual Town Meeting.

RULE No. 2

Voted: That recommendation of No. 2 of the Rules Committee report be accepted and become effective immediately. That Section 4 be added to Article 2 Rules and shall read: Section 4: Reconsideration.

Reconsideration of any motion or article or any amendment to any motion or article will be allowed if: The first motion for reconsideration is approved by a majority vote of the members present. The second motion for reconsideration is approved by a two-thirds majority vote of the members present. The third motion for reconsideration is approved by a two-thirds majority vote of the members present and said third motion for reconsideration be allowed for vote at a time after all other articles in the Warrant have been acted upon.

RULE No. 3

Voted: That recommendation No. 3 of the Rules Committee report be accepted and become effective as of the 1962 Annual Town Meeting. That section 5 be added to Article 2 Rules and shall read: Any items of equipment or fixtures which is not a replacement, normally referred to as "capital expenditures" or equipment and fixtures whose cost is in excess of \$500.00 and whose expected life is one year or more, shall not be included in the general budget of departments.

If said items of equipment and fixtures, as described above, are included in the general budget of departments article, said items shall be considered by separate motion.

Report of Library Survey Committee 1961

The committee organized in accordance with Article No. 18 of the 1960 Town Meeting to survey present Library facilities and known as the "Library Survey Committee" herewith submits its report:

As a matter of background and interest your present Library was established in 1884 by act of The Town Meeting of that year. The building in reference, known as Memorial Hall, was established as a memorial to war veterans and in the act of building this memorial, a section of the building was designated as a Public Library. The area so designated comprised less than 2,000 square feet which, at that time, was more than adequate for such a facility. This area was located on the ground floor of Memorial Hall and consisted of three rooms and a small office.

At the present time, almost 80 years later, your Library has the same dimensions and space available for use by the public. There are some 31,000 volumes stored here in addition to periodicals and reference material. The main room includes a small book checking desk, stacks for storage of a majority of the books and a small children's section. The other room is the reading and reference section with facilities to seat 18 people and minimal storage of material for ready reference periodicals. The remaining space consists of an office which is 11 feet by 11 feet in area and is used by the Library staff for preparation and repair of books and storage. This, the committee found, was the entire area available for Library use.

Upon investigation it was found that the circulation of books was over 66,000 for 1960, an increase of 10,000 over the past several years with more than 6,000 registered Library users. The Reading Room is constantly overcrowded and this was revealed by a close check on its use over a period of three weeks. The check revealed an average of 30 - 40 people using this room in the evening alone, necessitating attempts to seat people throughout the Library, since this room can accommodate only 18 patrons at one sitting. The committee found all book stacks filled to capacity and window ledges in use to store material.

The current space standards which form the basis for most space recommendations indicate that based upon Milford's present population, at least 11,000 square feet of floor space is minimum for our Public Library. Included in this amount of floor space would be accommodations for 78 people at one time. Of this there would be a space for 27 children and remainder for adults. In comparison with the 11,000 feet with facilities for 78 a minimum, we occupy less than 2,000 feet with facilities for 44.

As a result of these findings, the committee has consulted with the American Legion Subcommittee concerning the possible release of some of the Legion area to Library use. However, no conclusions have been drawn nor has the Library Committee made any concrete request because of the need of engineering consultation as to what part, if any, would be structurally suitable.

It has been found that support of your Library, financially and space wise, has been not only far below national and state averages but also is below the majority of similar towns with the same population. Having found a dire need for additional space, the committee feels there is a possibility of acquiring such space either in the present building, with an addition to the building or possibly a combination of both.

This committee therefore recommends that the Town vote to continue the study, to vote a minimum for engineering and survey data, and to direct the committee to bring recommendations to the next annual Town Meeting as to a solution to the Library problem.

Milford School Building Committee Report

March 1961

In compliance with the provisions of Article 23 of the 1960 Town Meeting and articles of previous Town Meetings, the following report of the Milford School Building Committee is respectfully submitted:

The Memorial School has been completed and has been occupied by pupils since September of 1959.

The Wendell T. Phillips Associates have indicated that the contractor has fulfilled his responsibility completely, with the exception of three minor items which are in the process of negotiation. It is expected that agreement on these three minor items will be reached within a matter of days, and that the financial transaction involved will also be completed.

To date, the amount of \$843,851.48 has been expended, leaving an unexpended balance of \$957.48, which will adequately cover the minor items referred to above.

As soon as the financial transaction is completed and the architect certifies as to the fulfillment by the contractor of his obligations, the building will be formally transferred from the jurisdiction of the Milford School Building Committee to the Milford School Committee.

The remaining portion of this report will be devoted to the directive spelled out in Article No. 23 of the 1960 Town Meeting, to wit: "to make a continuing survey and study with relation to the need for school facilities," as follows:

The Milford School Building Committee, as a result of investigation and deliberation during the previous year, is of the opinion that housing space considerations, curriculum offering to our pupils, as well as good business practices, indicate the desirability of the Town's taking the necessary steps to acquire land at the earliest possible date for use as the location for future school construction.

The School Building Committee recommends favorable consideration of Article No. 49 of the 1961 Town Meeting as a necessary preliminary step toward the acquisition of land for school purposes.

Respectfully submitted,

MILFORD SCHOOL BUILDING COMMITTEE

DAVID I. DAVOREN, *Secretary*

Voted: That the report of the Milford School Building Committee be accepted as submitted, and that this meeting authorize the continuance of the Milford School Building Committee for the purposes of terminating the business of the construction of the Memorial School and proceeding further with the survey and study of future school building needs and report on the same to the next annual town meeting.

Report of Personnel Board

To the Honorable Board of Selectmen and the Citizens of Milford:

The Personnel Board in its report to the 1960 Annual Town Meeting stated that its objective, was a plan which will provide the town employees with wages *or* salaries, and, with benefits that will compare favorably with those of other cities and towns of similar population, and circumstances, and with those of private industry in the community.

At that time we also reported that such a plan would take a little time to complete and it did not seem that the task should be very difficult, but, we soon found that there were reasons why it was not as simple as we had anticipated, and because it appears that there is a need for better understanding of the problem, we will, in this report try to provide a better understanding.

One of the reasons for our difficulties, is, that many of the cities and towns throughout the state, lag in their adjustment of municipal wages and salaries to meet the increases in the cost of living, and increases in the wage level of private industry. For us to compare the rates for Milford Town Employees with the rates in those cities and towns would be extremely unfair to the Milford Employees. On the other hand, to compare the rates of Milford Employees with those of cities and towns located in higher cost of living areas and higher labor market areas, would be equally unfair to the taxpayer. The same is true in regard to state compensation plans, for the reason, that the maximum rates in these plans must logically be considered as being intended for use in the higher cost of living and labor market areas.

For the year 1961, the Board is recommending an increase of 3½% based on the increase in the cost of living and the increase in the wage level in private industry. Additional increases are being recommended for some positions to correct inequities, which have crept into the wage structure over a period of years. We believe that with the increases recommended, that the wage level at Milford would be on a comparable level of cities and towns of similar population and circumstances.

It should be understood, however, that if this level is to be maintained, further adjustment to meet further increases in the cost of living and in the wage level of private industry will be necessary in the future. It is also possible that other inequities, especially in the salary group, may be found as our studies continue.

We hope that our work of this year will meet with your approval.

Respectfully submitted,

Report of Milford Police Station Building Committee

Mr. Moderator:

I wish to report on the progress made by the Milford Police Station Building Committee.

At the Adjourned Meeting, March 30th, 1960, it was voted that this committee be authorized to secure plans with the assistance of the federal government under Public Law 560. I want to report that

after several months of necessary preparation that our application for assistance was granted in accordance with the terms of the federal laws. Congressman Philip J. Philbin and U.S. Senator Leverett Saltonstall aided this cause.

Your building committee has been allotted \$5400 for purposes indicated in the application to the Housing and Home Finance Agency located in New York City. The Milford Police Station project No. P—Mass. 3081 was thoroughly investigated and reported to the Director of Community Facilities Activities, Mr. Ralph B. Cornell. This division is in charge of giving federal assistance for the planning of municipal buildings, libraries, school buildings and other projects pertaining to communities.

Your committee felt that plans should be prepared by local people and your attention is hereby called to the general architect's version on the stage of this hall, the original of the picture which was published last night in the Milford Daily News. Careful designing and proper use of building materials are stressed in order to give the town of Milford a maximum of facilities. The exterior and roof designs can be altered if desired.

It is noteworthy that a majority of this committee feels that a later addition of a second story for use as a court might easily be built. However, this committee was directed only to secure plans for Police purposes and that is exactly what we have accomplished. Your committee was appointed at the annual town meeting in 1957, four years ago. Every member of your committee gave freely of his time and effort and no one received payment in any form from the Town of Milford or any other source.

The members of this committee want to express their sympathies with the articles in the 1961 Town Warrant. As chairman of this committee, I feel that the careful investigations of this committee were worthy of my personal endorsement along with a group of interested citizens in the preparation of articles for consideration at the 1961 Annual Town Meeting.

This report to you Mr. Moderator is made in the course of our continued civic interest as town meeting members. It is our desire that should the voters feel favorable to the results of our duties that we be discharged from further duties in this regard. On the other hand, should the town meeting members fail to give this matter favorable consideration, then I would suggest that ways and means be devised through you to save the work which has been accomplished by your committee for future use and consideration.

Yours truly,

JOHN C. LYNCH, JR., *Chairman*
PRECINCT 4 POLICE STATION
BUILDING COMMITTEE

ADJOURNED TOWN MEETING, MARCH 20th, 1961

Moderator Curran called the meeting to order at 8 P.M. A vacancy in Precinct 3 was filled with election of Theresa Bertone, 135 Central Street. The Monitors reported 182 persons present.

It was moved and seconded that Article 2 of the classification and compensation plan report be amended by deleting the note "The maximum rate shall be the 1961 rate for those employed prior to January 1st, 1961" and it was so voted.

It was moved and seconded to reconsider the part of Article 2 B102 and B104 as amended by inserting figures to \$96.60 and \$105.60 and \$88.25 and \$96.50.

The following persons stood and requested a secret ballot on the vote for "reconsideration." Anthony E. Allegrezza, Roger Letourneau, Marco A. Balzarini, Albert R. Luby, Charles Abrahamson, Paul Lally and George Cahill.

The Moderator appointed the following persons as Assistants to the Monitors in taking the vote: At Large—Cyril F. Kellett; Precinct 1—Frederick G. Birmingham, Precinct 2—Gaetano Ferrante, Precinct 3—Anthony J. Rossetti, Precinct 4—James F. Donlon, Precinct 5—Walter B. Doane.

The Moderator appointed the following tellers to canvass the vote: John G. Gandolfi, George Cahill and John Glennon.

A motion was made and seconded to "shut off" debate. The secret ballot was taken and 120 persons voted in the affirmative and 67 persons voted in the negative; the motion for reconsideration of part of Article 2 B102 and B104 was carried.

The question now came on the amendment passed March 15th, 1961 changing part of Article 2—B102 and B104.

The following persons stood and requested a secret ballot: William F. McAvoy, Anthony E. Allegrezza, Marco A. Balzarini, Charles Abrahamson, Roger Letourneau, Albert Luby and George Cahill.

The result of the secret ballot was announced: 5 blanks, 114 voted in the negative and 68 voted in the affirmative and the amendment was lost.

It was moved and seconded that the following note be added to the motion: Under Article 2 Classification and Compensation Plan the maximum rate shall be the 1961 for those employed prior to January 1, 1961, and it was so voted.

It was moved and seconded that the following provisions be added to the classification and compensation plan:

Note: For all positions classified as full-time the minimum and maximum rates shall be increased in 1962 by 3.5% over the 1961 rates and in 1963 by 3.6% over the 1962 rates, the resulting rates to be rounded to the nearest cent in the case of a daily rate, nearest multiple of 50 cents in the case of a weekly rate, and the nearest multiple of 25 dollars in the case of an annual rate. Each employee employed prior to January 1, 1961, shall receive the maximum rate while he is employed in the same position. Each employee employed after January 1, 1961, or changing to a new class shall commence at the minimum rate for the class. The amount of each annual step rate increase for the employee shall be the amount set forth in the Schedule, but the base from which the increase shall be determined shall be the minimum in effect for such year, and it was so voted. Voice vote.

The question now came upon the motion and it was

Voted: That the Town amend its By-Laws by establishing pursuant to Sec. 108A of Chapter 41 of the General Laws the Classification and Compensation Plan recommended by the Personnel Board by voting to accept as amended the classification of positions and wage and salary schedule recommended by said Board as amended, a copy of which is presented herewith.

That the following provisions be added to the Classification and Compensation Plan: Note: For all positions classified as full-time the minimum and maximum rates shall be increased in 1962 by 3.5% over the 1961 rates and in 1963 by 3.6% over the 1962 rates, the resulting rates to be rounded to the nearest cent in the case of an hourly rate, nearest multiple of 10 cents in the case of a daily rate, nearest multiple of 50 cents in the case of a weekly rate, and the nearest multiple of 25 dollars in the case of an annual rate. Each employee employed after January 1, 1961, or changing to a new class shall commence at the minimum rate for the class. The amount of each annual step rate increase for the employee shall be the amount set forth in the Schedule, but the base from which the increase shall be determined shall be the minimum in effect for such year. Voice vote unanimous.

Article 3. Voted: That the Town amend its by-laws by voting to accept the following: Except as may be otherwise provided by law or by-law those employed in positions classified as full time in Group C shall be granted compensatory time off without loss of pay for hours worked in excess of their normal weekly schedule: Department heads may substitute payment at the straight hourly rate or weekly rate divided by the normal number of hours per week for compensatory time off. For the purpose of this Plan normal weekly hours for full time positions shall be as follows: 40 hours Medical Home Employees, 44 hours for Sewer & Highway Department Employees. C301, C302, C303 not included.

Article 4. It was moved and seconded that the Town vote to change its By-Laws by authorizing the Highway Surveyor to pay compensation at the rate of time and one-half for Snow Removal purposes only to all permanent employees of the Highway Department after forty-four hours of the regular work week. An amendment was made and seconded to insert after Highway Department the words "subject to the approval of the Selectmen".

A standing vote was taken on the amendment. 92 persons voted in the negative and 80 in the affirmative. The amendment was declared lost.

It was Voted: That the Town vote to change its By-Laws by authorizing the Highway Surveyor to pay compensation at the rate of time and one-half for Snow Removal purposes only to all permanent employees of the Highway Department after forty-four (44) hours of the regular work week.

Under Article 5 it was moved and seconded that the Town vote to receive the report of the Finance Committee and that the Moderator inquire if any voter wishes to consider any item separately. Report of Animal Inspector

December 28, 1961

To the Board of Selectmen
Milford Town Hall
Milford, Massachusetts

Gentlemen:

I hereby submit my report as Animal Inspector for the Town of Milford for the year ending December 31, 1961.

There were 40 cases of dogs investigated and quarantined for having bitten people. However, no sign of Rabies was reported in any of the cases.

As required for the Commonwealth of Massachusetts, and in accordance with Section 19, Chapter 129 of General Laws all barns and livestock in the Town were inspected and found to be satisfactory.

In conclusion I wish to thank the Board of Health and the citizens of Milford for their cooperation during 1961.

Respectfully submitted,

DR. JOSEPH C. FABBRICOTTI,

Animal Inspector

Town Counsel's Report

During the year ten claims for personal injuries and property damage were settled without court actions having been commenced against the Town.

The breach of contract suit by R. J. Berke & Company against the Town was dismissed after a trial in the Superior Court in Cambridge.

One claim brought by the Town on a welfare matter was heard in the Superior Court in Worcester and we await the judge's finding.

There are six petitions for abatement of real estate taxes on Main Street property still pending in the Appellate Tax Board in Boston.

There are nine claims for personal injuries allegedly arising out of sidewalk or highway defects still outstanding.

Two suits are pending against the Welfare Board, one each by the City of Worcester and Boston.

The Archer Rubber Company land damage suit against the Town, arising out of the flood control project on lower Central Street,

is pending in the Superior Court in Worcester. The Town has demanded a jury trial.

During the course of the year I have had many conferences with people serving the Town. I have given advice and legal opinions as requested by officials and by citizens seeking information on municipal matters.

I respectfully submit an itemized list of expenditures from the Damage to Persons and Property Account:

Report of Board of Health

To the Honorable Board of Selectmen
and the Citizens of the Town of Milford:

Dr. Nicholas J. Capece was re-elected Chairman of the Board of Health for the year 1961. Other members of the Board are Frank Calzone and Harris Tredeau.

Appointments made as follows: Clerk, Agent, Sanitary Inspector, Adam F. Diorio; Nurse, Alice Fitzpatrick; Physician, Dr. Eugene E. Allen; Dentist, Dr. Joseph C. McLellan; Plumbing Inspector, Charles J. Ferrante and John F. Power; Burial Agent, Oscar Ayotte; Meat Inspector and Slaughtering, Philip Roy; Assistant Meat and Slaughtering Inspector, Alexander Iannitelli; person to receive and report contagious diseases, Adam F. Diorio.

The rat control program was extended to the entire town and the results are very satisfactory. An expert exterminator conducts this program under the supervision of the Board Agent.

The mosquito control program was conducted by the Town Tree Warden, Joseph Graziano under the supervision of the Health Agent. Due to the small appropriation of \$2,000.00 the result of this program is considered very good.

DOCTOR'S AND NURSE'S REPORT

Total Enrollment of St. Mary's School	941
Total Enrollment of Sacred Heart School	416

Spaced physical examinations were given to the students by the Board of Health Physician, Eugene E. Allen, M.D. Notices of defects found were sent home to the parents or guardians, for corrections to be made by the family physician.

The Massachusetts Vision Test and the Audiometer Hearing tests were given during the school year and follow-up work done to be sure corrections had been made.

The Dental Health Clinic is held each week-day morning for students in all the schools up to the fifth grade. Joseph MacLellan, D.M.D., is the attending physician.

Any children with special health problems are referred to the Boston or Worcester Health Clinics.

CLINICS

A Double and Triple Antigen Clinic was held at the Memorial School for the pre-primary and first grade pupils in all the schools. Booster doses were given to all who had requested it. Eugene E. Allen, M.D., Health Physician, is in attendance at all the clinics.

A Double Antigen Clinic was held at the Memorial School for all the students in the Junior classes and the sixth grades. Booster doses were given to all who had signed the requests.

A Vaccination Clinic was held at the Memorial Clinic for babies and pre-school children.

A Tuberculin Clinic was held at the Memorial School for all the school children from pre-primary to grade twelve. Approximately all pupils received the Mantoux Tuberculin skin test. Heinz J. Lorge, M.D. and three other doctors from the Worcester County Sanatorium assisted him in giving the tests. Students who had a positive test, and members of their family were later on given chest X-rays. No active cases of tuberculosis were found.

Annual Report of the Board of Selectmen

The Board of Selectmen organized on March 7, 1961, and Anthony E. Allegrezza was unanimously chosen chairman.

The year 1961 saw the continuance of the many fine services to the Townspeople and the extension of others. The first phase of the Flood Control Project was completed and your Board will consult with the legislative representatives in this area for the start of the second phase — the enlargement of the Charles River from Central Street to the Cedar Swamp Pond. Your board will also support plans for the improvement and enlargement of the swimming pool facilities at Fino Field in order to accommodate the great number of children who use it.

During the past year the Board had the opportunity to observe the functioning of the newly established Personnel Board. We wish to comment on the extensive set of by-laws dealing with personnel and personnel matters which they presented to the Town Meeting and which have been adopted as the rules and regulations of the Town. It is our hope that this Board will continue to study all matters dealing with wages, vacations, and sick leave and other fringe benefits and that their yearly recommendations be adopted by the Town Meeting.

We would like to remind the people of this community, again, that the zoning by-laws now in effect are inadequate and should be extensively revised. We feel that the Town should be divided into roughly three zones: commercial, industrial, and residential and that the residential zones should be divided into areas for single dwellings and areas for multiple dwellings.

We have in the past expressed our sentiments against the use of trailers as permanent residences and we shall support any by-law to that effect.

The closer Route 495 gets to Milford the more real becomes the possibility of the construction of hundreds of low-cost dwellings by outside real estate speculators whose customers would come from the cities around us. This type of growth brings with it many problems so that the revision of our by-laws becomes more vital. Therefore, we recommend the adoption of a building code and the enforcement of the building code and the lot size requirements by the Planning Board or its agent.

Finally, a word about fiscal matters. We read and hear about requests for new schools, new police station and courthouse, new

central fire station, new library or substantial addition to the library, and a municipal gymnasium to mention a few. The board is aware of the desirability of new quarters for these departments but we are also aware of the financial inability of the part of the taxpayers to provide funds for all requests for capital improvements. In view of our present high bonded indebtedness, our recommendation is to postpone all capital projects except those which are absolutely essential.

In 1961, we were able to keep our tax rate at the same level as in the previous year. In this day and age this was a remarkable achievement in view of the fact that the Town Meeting, actually, has no more than a partial control over its spending. For example, the town meeting can do nothing about school expenditures, county hospitals, which last year cost the Town \$50,891.00; or the failure of the state to reimburse us the sum of \$26,000.00 for veterans services.

The credit, of course, for stabilizing last year's tax rate goes to the members of the Town Meeting—the body which controls the purse strings for this community. We intend to encourage similar prudence whenever possible.

In closing we wish to extend our thanks to all—citizen and official—who assisted us in the administration of the affairs of the office of the Board of Selectmen.

Report of the Board of Sewer Commissioners

FOR 1961

To the Citizens of Milford:

We respectfully submit our report on operation, maintenance and new construction work of the Town Sewerage System during the year 1961.

Collecting System:

Maintenance of the collecting system included routine flushing of certain sections of the system where flat grades are required, as well as work in response to trouble calls to the Sewer Department.

New construction of sewers in the collecting system was limited to that done by private developers and turned over to the Town as part of the collecting system as follows:

Muriel Lane and connecting sewer outlet to Coolidge Road

8" Asbestos Cement Sewer (Farese Realty Trust).....2,084 ft.
Street off Purchase Street at

Sta. 9 + 34 — 8" (Casasanta and Bedrosian).....	312 ft.
Grant Street Extension—Metcalf Ave.—Northerly	
8" Asbestos Cement Pipe (Farese and DeMattia).....	580 ft.
Kellett Drive	
8" Asbestos Cement Pipe (James E. Kellett).....	418 ft.
	<hr/>
Total	3,394 ft.

Sewers previously constructed.....	34.236 miles
Constructed 1961—3,394 ft.	0.643 miles
	<hr/>

Total length of sewers34.879 miles

During the year construction of the new Charles River culvert crossing Central Street and in Archer Street, by the State Waterways Division, resulted in a new sewer siphon on Central Street and a new sewer line in Archer Street on the east side of the culvert, which work was done by the Waterways Division, without cost to the Town.

Service Connections:

Service connections added during the year were 69, bringing the total connections to 2,784.

Pumping Stations:

In addition to routine maintenance and operation of the existing pumping stations on Charles Street, Medway Road, Purchase and Dilla Streets, a new underground pumping station was installed on Birch Street to serve the Medway Road area, and placed in operation on November 1, 1961.

Treatment Plant:

The treatment plant has been in full operation throughout the year, with average sewage flow of approximately 2 MGD.

Complete primary and secondary treatment has been provided with chlorination of effluent during the summer months as required by the State Health Department. Sludge has been dried by vacuum filters instead of open drying beds, allowing for year 'round operation, with minimum odor trouble.

General:

The Board and its Engineers have conferred with the Waterways Division regarding contemplated work on Charles River Improvements in relation to their effort on the sewage collecting system.

May I extend my sincere thanks to all Town Departments for their cooperation in any way during the past year, especially to the Fire and Highway Departments.

Report of the Milford Planning Board

To the Honorable Board of Selectmen and
Citizens of the Town of Milford:

The Planning Board held regularly bi-monthly meetings during the year, at its offices at 126 Main Street, with the exception of June, July and August when only one meeting was held each month.

Several subdivisions were submitted to your Board. The following were approved: A subdivision of land owned by P. Eugene Casey on Coolidge Road, off Purchase Street, for 28 lots; of land by Sabino Farese on Haven Street, off Purchase Street, for 80 lots; of land by Bedrosian and Cassasanta off 280 Purchase Street, for 48 lots; of land by Sabino Farese off Highland Street, for 130 lots.

Several Zoning complaints were brought before your Board and were settled.

A tract of land on 140 from Greene Street, southeast to the Hopedale line was submitted by your Board for rezoning from residential to business. At the 1960 Town Meeting, a portion of this tract was approved.

A hearing for a Zoning Amendment concerning the banning of trailers to be placed in the 1962 warrant was held. Opinions were heard from those in favor and those opposed.

The possibility of the Town of Milford adopting a Master Plan was discussed at length throughout the year. Steps have been taken and consultants interviewed.

We wish to thank our town officials for their co-operation throughout the year.

Report of Police Department

January 11, 1962

To the Honorable Board of Selectmen
Town Hall,
Milford, Massachusetts

Gentlemen:

It is my pleasure to submit the following report of arrests and other duties performed by your Police Department during 1961.

Sergeant John J. McGrath, Director of the Auxiliary Police, has continued the fine progress with this unit for the year 1961. They

are a most essential unit in an emergency, for without their assistance the Police Department would be sorely taxed.

Facilities in the department are so small that we are unable to carry out our duties in a modern manner. The law states that we should have adequate and private facilities for juveniles, that we do not possess and do not have the room to provide. We have no room for lockers, for inspections, for roll call, nor for the storage of records that are so important to every citizen of our Town. Particularly do we lack the facilities for complete and private interrogation of suspects.

The problem of our school children going to and from school, with the cooperation of the Board of Selectmen and Superintendent of Schools has been solved on a temporary basis. I would recommend at this time that steps be taken to solve it on a permanent basis so that Police Officers could be released from school crossing duty to be available for other important duties.

May I take this opportunity to thank your Honorable Board of Selectmen and all other Town Departments for the generous cooperation they have extended during the past year.

Report of the Park Commissioners

To the Honorable Board of Selectmen
and the Citizens of Milford:

We hereby submit our annual report for 1961 with financial report appended.

The bleachers at Town Park were completely replaced this year and badly diseased and dead trees were removed. Some of these trees were replaced and we hope to plant more in 1962.

One tennis court was sealed and one basketball court. This project we hope to continue until they are all done to preserve the hot-top.

Another sidewalk through Town Park from Walnut Street to the Stacy School was put in. This was badly needed and completes the walks in the Park except for Walnut Street to the new school.

Prospect Heights playground had a stone wall removed and the huge boulders taken out that created quite a hazard for the children playing in that area. It was filled in and graded and seeded.

The Playgrounds had a successful season under Mr. Anthony Williams who replaced Mr. Donald Carroll. The children had two trips this year, one to Roger Williams Park and another to Purgatory. Arts and crafts were taught and inter-park baseball was enjoyed.

It is hoped in 1962 as requested by interested taxpayers in the South End that we acquire from the Selectmen, the brick school area for a playground and eliminate the Oliver Street School playground which was not available for use this year. Money will have to be spent to grade the back part and repair the fence around it and install the equipment and it should prove to be a good playground area for the children in this section.

Respectfully submitted,

Personnel Board Report

January 18, 1962

To the Honorable Board of Selectmen
and the Citizens of Milford:

The Personnel Board wishes to take this opportunity to thank the Board of Selectmen, Department Heads, Boards, Commissions and all other Town Personnel for their courtesy and co-operation during the past year. The Board also wishes to state that in the future, as in the past, our only interest will be to serve both the Taxpayer and the Town Personnel to the best of our ability.

Respectfully yours,

GEORGE F. BELFORTI,

Chairman

Report of Sealer of Weights and Measures

To the Honorable Board of Selectmen:

I submit my report as Sealer of Weights and Measures for the year ending December 31, 1961.

I notified in compliance with the provisions of Section 41, Chapter 98 of the General Laws of Massachusetts, as amended giving notice to all persons, that all scales and measuring devices, for the purpose of buying and selling goods, wares and merchandise, to be brought in, and these devices be tested, adjusted and sealed. I then inspected all places of business in Milford.

It is of course necessary to re-weigh pre-packaged foodstuffs at regular intervals. Included in these checks are meats, vegetables, milk, butter, flour and sundry foods.

In checking 2500 packages of foodstuffs, I found 1825 correct, 525 underweight and 150 overweight.

	Adjusted	Sealed
Scales over 10,000 lbs.	—	3
Scales 5,000 to 10,000 lbs.	—	1
Scales 100 to 5,000 lbs.	—	39

SUPERINTENDENT’S REPORT

Board of Public Welfare,
Town Hall,
Milford, Mass.

Gentlemen:

I respectfully submit the following report:

During the year 1961, the Milford Public Medical Home and Infirmary, which has operated at full capacity throughout the year, has accomplished many improvements. A fire escape was installed to comply with today’s safety standards. We have also improved the heating system of the entire building to bring comfort to all the patients. The exterior of the building has been repaired and painted.

I wish to thank all of the people who during the year and the Christmas Season brought joy and happiness to the patients. I also wish to thank the Junior Chamber of Commerce who donated a television set for the patients’ enjoyment; also, Mr. James Kellett who donated a Communion set.

I would like to take this opportunity to thank my entire staff for their grand co-operation given me throughout the year, and to extend my sincere appreciation to Mr. James L. Ahearn and his entire staff and the members of the Board of Public Welfare for their co-operation.

Very truly yours,

(Signed) EMILIO A. PIGHETTI, Supt.

Welfare Physician's Report

Board of Public Welfare,
Town Hall,
Milford, Mass.

Gentlemen:

I respectfully wish to submit the following report on my activities as Town Physician for the period from January through December, 1961.

During this past year, I have treated patients on General Welfare in the various rest homes in town; in their homes and in my office.

Throughout the past year, I made an average of six calls weekly to the Milford Medical Home which during 1961 was filled to capacity. The Medical Home continues to fulfill an urgent need for the elderly of our community who require nursing home care.

In this connection, I am very pleased to report that through the co-operation of the entire staff and of visiting physicians the Medical Home has been operated with a maximum of efficiency. The patients have received the best possible care. I am deeply grateful to the nursing staff and the other personnel who have done their work with enthusiasm and devotion.

I wish to commend the Board of Public Welfare for the completion of many projects during 1961 at the Milford Medical Home and Infirmary so that it now ranks with the finest in the State; in fact, an institution of which the community can be proud.

I wish, also, to express my appreciation for the pleasant relations and co-operation extended to me by Mr. James Ahearn, Mr. Emilio Pighetti, the members of the Welfare Board and to the entire personnel of the Board of Public Welfare.

Very truly yours,

(Signed)

G. S. NOSSIFF, M.D.

Respectfully submitted,

CHARLES H. RIZOLI, Chairman
WILLIAM B. DUGAN
JOSEPH C. BIANCHI, JR.

JAMES L. AHEARN, Director of Public Assistance.

REPORT OF THE SUPERINTENDENT OF SCHOOLS TO THE SCHOOL COMMITTEE AND THE CITIZENS OF THE TOWN OF MILFORD

Herewith I submit respectfully the eighty-third annual report of the School Department and my fifteenth as Superintendent of Schools.

Program

In keeping with the policy of the Department, the matter of offerings to our pupils or the program of study has been under continuing review and study by personnel of the department.

Ranging from the School Board level to administrators, principals, supervisors and committees of teachers, the matter of program has received close scrutiny during the past year.

The most significant work being done at the moment is the self-evaluation aspect of the overall evaluation of Milford High School in conjunction with the New England Association of Colleges and Secondary Schools.

Committees of teachers and department heads have been at work since last September and will continue through the current school year examining in detail the quality of our high school offering.

Upon completion of this activity and the correction of whatever deficiencies or weaknesses might be indicated, the evaluation will be completed after inspection and observation and report by a visiting committee. The visiting committee has been scheduled to come to Milford in the fall of 1962, at which time they will actually spend three days in the classrooms with teachers and pupils, gathering data upon which to base their reports.

We welcome the opportunity to participate in this study of our high school, and I am personally grateful to Mr. Tosches, Mr. Brucato and the entire staff for their time and effort in a most important activity.

At the junior high school and elementary grade levels, the enrichment program has been continued and refined. Curriculum revision studies are still under way, and these will be completed and ready for publication before the end of the current school year.

The elementary grade program will be altered at the close of this year by the suspension of pre-primary classes. This action is to be regretted, but in view of the lack of classroom space it is inevitable and absolutely necessary.

Unfortunately, we are running out of space needed to house our elementary grade classes in the future. The administrators are faced with the choices of overloaded classes, or double sessions, or a curtailment of the pre-primary program. The decision has been made to suspend pre-primary classes in June of 1962 in order to adequately and properly house the ever-increasing numbers of pupils in grades one through six, and to offer to these pupils the type of elementary grade education to which they are entitled.

I call attention to the work of the Blackstone Valley Regional Vocational School Planning Committee. This group has held several meetings during the year and will probably have specific recommendations to present to our townspeople in the fall of 1962.

Atty. Pacifico M. DeCapua, Mr. James Kellett and Mr. John C. Lynch, Jr., having been appointed by Town Moderator John F. Curran, constitute the committee representing our town. The entire concept of this type of education is highly significant to Milford and is worthy of most serious and intense consideration as the planning of the proposed school becomes crystallized and made public.

Plant

The following work at several school buildings was accomplished during the past year:

Milford High School

Installation of new flooring in Rooms C-15, B-1, B-2, B-4, B-13, B-14, B-15, C corridor and A-7.

Replacement of fixed furniture with new movable desks and chairs in all of above rooms except A-7 and C corridor.

Installation of new interior lighting in classrooms and corridors.

Installation of exterior lighting at Milford High School and Stacy Jr. High School to illuminate parking areas in yard.

Oliver Street School

Renovation of exterior of building, to include exterior painting, new roof, new exterior doors and windows on front of building, new clapboarding where needed.

Memorial School Yard

Installation of hot top in play area on northeasterly side of building.

Plains School

Completion of renovation by painting of building exterior.

Park School

In view of the action of the State Department of Public Safety requiring extensive renovations to the Park School estimated to cost in excess of fifty thousand dollars, it was decided to close the school and discontinue its use. Prior to making this decision, architects were engaged to plan the required renovations and determine costs. It was decided, after carefully weighing all of the facts—especially the costs involved, that it was economically unsound to renovate the building. Consequently, the building was closed on December 22, 1961.

Recommendations

In view of the absence of a long-range plan for school building facilities, and in consideration of possible changes in the makeup of our town in future years, I recommend that a survey and report of the Milford school system be made by an agency qualified and experienced in such work.

Surveys and reports have been made for other communities by graduate schools of education, and in my opinion there is an urgent and substantial need for an unbiased survey of our schools to guide us as we look to the future in Milford.

Gifts

A collection of mathematics and science books used by Miss Mary B. Ford during her teaching career has been donated to the Milford High School. These books will be used for reference purposes and are greatly appreciated by both the faculty and students of the Milford High School.

Personnel

Again, the School Department was able to fill the needs of the teaching force by engaging well qualified teachers who give promise of meeting with success in their duties.

The School Committee is to be congratulated for their profound interest in bringing to our teaching force personnel of high caliber.

During 1961, the following additions and changes were effected:

New Appointments

Mr. Frederick J. Besozzi, as teacher in the Science Department of Milford High School.

Miss Mary A. D'Amelio, as teacher of grade 8, Stacy Jr. High School.

RESOLUTION

WHEREAS:

Almighty God, in His infinite wisdom and mercy, has summoned our cherished teacher and friend, FRED A. METCALF, to his eternal reward, and

WHEREAS:

Fred A. Metcalf, as teacher, department head and Director of Scientific Education in the Milford Public School System for thirty-four years, was most efficient and conscientious in the discharge of his duties, and

WHEREAS:

He gave to all his many native talents, his wise counsel and sympathetic understanding, and

WHEREAS:

He, by inspiration and acts, performed kind and generous deeds for both pupil and fellow man, and

WHEREAS:

The Town of Milford has lost a teacher most dedicated in his work;

THEREFORE, BE IT RESOLVED

That this assembly, in genuine appreciation for his inspirational leadership, his outstanding character, his many sacrifices, his unselfish devotion to both his pupils and his fellow man, bow our heads in silent tribute to one whom all of us loved, and

BE IT FURTHER RESOLVED

That David I. Davoren, Superintendent of Schools, be directed to present a copy of these resolutions to Mrs. Fred A. Metcalf, the wife of the deceased, and that a copy of these proceedings be inscribed in the records of the School Committee, the Milford Town Report and the Milford Daily News.

In Memoriam

With deep regret the many former pupils and the many friends of Miss Mary Belle Ford, a teacher in the Milford High School for forty-three years, mourn her passing.

Her tireless efforts to attain the accomplishment of the seemingly insurmountable tasks she set before her pupils, her aid and encouragement along the way, her unsparing sacrifice of time and self, her admonishments, her pleasantries are fondly remembered.

She was a devoted teacher, a competent judge of right and wrong, a lover of the out-of-doors — her fields, her flowers, her ocean — a loyal friend, a true guide to the young.

May God grant her a just recompense for work well done, and may her soul through His mercy rest in peace.

As we depart from all true friends
To go our sep'rate ways
Our memories of Milford High
We'll cherish all our days.

Oh, we have labored through the years
To reach our goals with pride;
We place our faith and trust in God
For Him to be our guide.

On through the years we all will strive
Our motto to prove true:
Success to be our destiny
In all we plan to do.

Town Accountant's Report

To the Honorable Board of Selectmen:

Herewith I submit my Annual Report of the financial transactions of the Town of Milford for the year ending December 31, 1961.

Included is the usual Balance Sheet, a detailed report of the Receipts from all sources of income, a detailed report of the Expenditures of each Department and Account, a Recapitulation Schedule showing Appropriations, Receipts and Transfers, Expenditures, and Balance, and also the estimated cost to run the various departments as submitted by them for the coming year. Also included is a Debt Schedule showing the Outstanding Debt and the Maturity by years.

I wish at this time to thank all the Departments for their co-operation during the past year.

Respectfully submitted,

MICHAEL J. HANNIGAN
Town Accountant
